Dear Sir/ Madam,

RE: Request for Internship

We would like to inquire whether you could allow **Mr. MUNYANEZA Kenny Roger** to have an internship in the Department of Information Technology under your organization. **Kenny** is currently a student with **Registration Number #23043,** in the faculty of Information Technology, Software Engineering department at the Adventist University of Central Africa (AUCA). One of the requirements for the degree is that the student completes a period of 45 days excluding weekends and holidays as an internee in an organization, specifically in the field of his studies.

We would be grateful if you could assist him within the period mentioned above.
While waiting for your positive response, may you accept our gratitude in advance, please kindly let us know when he will start.

Yours faithfully,

Eng. ISHIMWE MUKUZO Prince
